

COMMUNITY GROUP QUESTIONS

OPEN: What has been most helpful to you in our series *Against the Grain: Living for Jesus in a Post-Christian Culture*? How will you apply these lessons in your life? In your family?

DIG: Read Proverbs 23:29-35, Isaiah 5:11 and 65:11, and 1 Peter 1:13. Galatians 5:20 uses a word related to our word “pharmacy,” which refers to the practices of those who concocted potions that alter states of consciousness. How do the above passages speak to the culture of drugs and alcohol today? How has the use of drugs or alcohol affected you or your family?

What was most enlightening to you in the discussion about marijuana use and the abuse of prescription drugs?

REFLECT: How can we as followers of Jesus remain sober and vigilant in these last days?

Pray for those in our Morning Star family who are struggling with addictions.
