

COMMUNITY GROUP QUESTIONS

OPEN : Whether funny or serious, what is the biggest lesson you learned in 2015?

DIG : What is one specific thing you need right now to be able to grow in your faith? Why?

God created us to be in community, not isolated. When we live for the Lord we grow individually as well as together. Read Ephesians 4:15-16 and share ways your personal growth can help the church family as a whole.

"I don't have time!" Ever feel that way? Share with the group how you prioritize your time. What helps you grow in your relationship with the Lord? What hinders your growth? What do you do when you feel like you just don't have the time?

REFLECT : This is a great time of year to assess where we are in our relationship with God. Read 2 Thessalonians 1:3. When it says, "your faith is growing abundantly," does that describe you currently? If yes, please share how. If it doesn't, why not? What could help your faith to grow abundantly?
