

COMMUNITY GROUP QUESTIONS

OPEN: Of all the current presidential candidates, who, in your opinion, is most happy with himself? Who appears to be most humble and gracious? Why? (Have fun with this, don't argue!)

DIG: How was the gospel first presented to you? How did you react? What were some of your early questions?

How does Galatians 3 help you understand the gospel of Jesus Christ? What is most encouraging to you in Paul's outline of the gospel?

Do you understand why the gospel must never be altered in anyway? What are some examples of how a person might alter the gospel message?

REFLECT: When are you most inclined to seek God's approval by your own efforts or actions by works? Pray for one another, that you would live in the moment by faith, not works as a way to God's approval.
