

COMMUNITY GROUP QUESTIONS

OPEN: Share a fun story of when you first felt freedom growing up (receiving your own room, exploring places outside your house, moving out, getting a car, etc.).

DIG: We know it is best to live in the freedom of Christ, but in what ways could living in slavery seem easier? Why do people choose to live in spiritual slavery still today?

What areas of your life are easiest to let God have control of? What areas are most difficult? Read Romans 6:5-7. Does it help to turn those things over to God knowing that you are united together with Christ no matter what you are going through?

Read Galatians 4:8-11. When you read that you are known by God, how does that make you feel and why?

REFLECT: We all have things that we think we can fix on our own or do better without God's help. Take some time this week to see what those things are (whether they are obvious to you or not) and allow yourself to give them back to God.
