# CGROUP QUESTIONS

---

**Open:** Share a story of when you had to put something together and you didn't have the plans, or the instructions were wrong.

**Dig:** God pursues us in love even when we are turning away from Him. Read 2 Timothy 2:22-26 and share a practical example of how we can bless the Lord when we turn back to Him.

What do you think of when you hear the word "patience"? Why is patience so difficult for many of us? How can we see patience as a godly characteristic to strive after?

Read Joel 3:16 and Romans 11:11-12. How does God's promise of love motivate you personally to continue to live for Him?

**Reflect:** God wants *all* of us—heart, mind, soul, and strength, the good, the bad, and the ugly. The past few weeks, we've looked at areas in our own lives where we are struggling or at areas we're holding back from the Lord. Take a deeper look at your own life, and, if you're willing, share it with the group (saying "unspoken" is an acceptable response). Then commit to praying daily for at least one person in your group over the upcoming serving break. (Option: Exchange 3 x 5 cards with the request to help you remember.)
