OPEN: Share a funny story of a time you were really hungry or thirsty for something.

SCRIPTURE: Read Philippians 3:7-11.

DIG: What is the difference between the righteousness of faith and the righteousness of law? Where will righteousness of faith lead us? Where will righteousness of law lead us?

What are some of the ways you personally hunger and thirst for righteousness? How can the group help you with that?

CHALLENGE: Think about what holds you back from a greater pursuit of godly righteousness. Ask the Lord to make these things clear to you and to help you follow Him more in righteousness.
