# CGROUP QUESTIONS

**OPEN:** Think about a specific time you've been forgiven. Share how that forgiveness impacted you.

**DIG:** Read Matthew 12:43-45. Why isn't it enough to just get rid of the sins in our lives? What consequences are there if we only get rid of the bad and don't fill our lives with what is best?

Read Matthew 18:23-35. When we try to fix things on our own, we'll fall short. What do we see in this passage that shows the servant relying on his own efforts? What are ways we rely on our own efforts when it comes to forgiving—or not forgiving—others?

How would you describe forgiveness? What is needed for complete forgiveness?

**REFLECT:** Think of a sin that has been committed against you. If you are experiencing anger/bitterness/wrath/resentment because of a wrong done to you, don't entertain or embrace those emotions! Pray that the Lord would give you a heart to forgive. Also be willing to talk with others who can guide and help you on the path to forgiveness.
