# COMMUNITY GROUP QUESTIONS

**OPEN:** Share a good memory you have growing up with your family.

**DIG:** Read Genesis 12:1-3. Why does Scripture zoom in here to focus on one family instead of the big picture view we saw in chapters 1-11? What can we learn about the importance of family from this passage?

Read Deuteronomy 6:1-9. How does this passage show the importance of spiritual growth in the family? Share specific examples of spiritual growth in your family so that others can benefit from what you've experienced.

Read Proverbs 6:20-22. As a child, did you receive and recognize intentional discipleship in your family? How did you respond to it? Is your perspective different as an adult?

How, as adults, can we be more specific and intentional in focusing on discipleship within our own families? If you don't have children, how can you intentionally focus on discipleship in the family of God?

**REFLECT:** Log in to your RightNow Media account this week and watch the four-minute video, *Live a Life Worth Following*. Reflect this week on how being a family that follows God now impacts the future.
