# COMMUNITY GROUP QUESTIONS

---

**OPEN:** What was something your family always did together in the summer?

**DIG:** What does it look like for a family to love the Lord wholeheartedly?

Describe how the Lord was or was not a part of your upbringing. If God was not prominent, did you ever have questions about faith?

What, if any, changes can you make in your schedule and priorities to carve out time to disciple the next generation (either your own children or children/young people who are without godly parents)? Where and how could you get involved?

**REFLECT:** How does Deuteronomy 6:1-9 help you understand the concept of “parent as pastor” to children?
