
COMMUNITY GROUP QUESTIONS

OPEN: 1. Would you rather only be able to sprint everywhere you go, or yell anytime you speak? 2. Would you rather visit one location anywhere in the world for an hour each year, or visit anywhere in the world one time only for a week? Why?

DIG: From the time you were a little child, what were some of the things you “hoped” you could be when you “grew up”? How is biblical hope different?

If your neighbor asked you why you trust God/the Bible or why you are a “person of faith,” how would you respond?

According to Hebrews 6:18-19, we have God’s promises (unchangeable, sure, and steadfast) as an anchor for our soul. How, if at all, were you able to take comfort from God’s Word during your most difficult trials? How can this passage help you in moving forward?

When anchors are doing what they’re supposed to do, they are invisible. What are some effects in your life of what Jesus has done in heaven for you?

REFLECT: To dive deeper and explore how hope relates to our confidence in God, login to your RightNow Media account this week and watch the nine-minute video *Hope Session 2*, session one by Grace Community Church found under “Bible Studies.” If you have not signed up for a RightNow Media account, go to www.mstar.church, click on the orange box on the home page, and fill out the short form to get FREE access.
