DIG: The Lord faithfully and consistently uses suffering in our life to bring times of growth. Whether we are currently on stage one or stage ten, we pass through this cycle many times in our life. Where are you in this cycle?

Have you experienced a time of trial/breaking that challenged you and made you renew/grow in your faith?

How has God used that in your life? In others' lives?

CHALLENGE: Depending on where you are at in your relationship with God, what will help you to take your next step? Pray for God's direction and be bold to actively take the next step in your walk with Jesus.
