# COMMUNITY GROUP QUESTIONS

---

**OPEN:** Would you rather donate your body to science or donate your organs to people who need them?

What stood out from the sermon this week?

**READ:** Psalm 127:1, Matthew 5:46-48, and Galatians 3:26-29.

**DIG:** According to the above passages, how do we welcome people into the family of God?

Whom do we welcome into the family of God? How should it look when we reach out to those who might not be easy to love?

Everyone is carrying a burden or hurt of some kind and is in need of the Lord's healing. How do we see past our own preconceptions and insecurities so we can be a church that welcomes everyone?

How have you been able to set your differences aside when you invite people into God's family?

**CHALLENGE:** We're spending 20 minutes per day with Jesus and 20 weeks praying for 20 people we could invite to Easter services. During your 20 minutes with Jesus, you can follow the daily Bible reading plan available on our website ([mstar.church](http://mstar.church)). I challenge you and your group to create a list of people you're praying for. Listen to God's prompting as we read His word together, and pray for those people who desperately need the love of Jesus!
