
COMMUNITY GROUP QUESTIONS

OPEN: As this week is the last meeting before summer break, celebrate with your group by sharing something that helped you grow closer to the Lord this year.

DIG: What are some things that people grasp on to, other than God, as their identity? What, if any, of those have you specifically grasped?

What are the dangers of finding our identity in our work, family, health/body, hurts, hobbies, sins, the expectations others put on us, or the expectations we put on ourselves?

Read James 1:19-25. What is being emphasized in this passage? How does this help transform and shape us to find our identity in Christ alone?

Read Jeremiah 1:5, Romans 6:6, 1 Corinthians 6:19-20, Ephesians 1:5, 1 Peter 2:9, and 1 John 3:1-2. Encourage each other with the truth that our identity is in Christ rather than the other things that vie for that position in our lives.

REFLECT: Log into your RightNow Media account this week and watch the four-minute video *Identity Crisis* by Paul Tripp. Reflect this week about how your identity comes from Christ alone, then praise Him for who He is!
