

COMMUNITY GROUP QUESTIONS

OPEN: Brainstorm, as a group, *all* the ways that people need to serve to make Morning Star happen on a week-to-week basis.

DIG: Why is it so important to have some "skin in the game" in the body of Christ? What does it mean to move from being a spectator to a participator?

Read Ephesians 4:11-16. Spend some time affirming one another and the God-given gifts you see in each other. Identify the important role that each member of your group plays or could play in the body of Christ.

Read Luke 9:23-24. How have you seen this prove true in your life as you serve?

REFLECT: If you haven't yet taken the step of serving, why not? What's holding you back? What do you plan to do from here?
