

COMMUNITY GROUP QUESTIONS

OPEN: Share a story of a time you were disobedient as a child.

DIG: Read Luke 5:12-16. Think about the man with leprosy. How would life be difficult for him in the first century?

How does the leper's statement, "if You will, You can make me clean" show his trust and faith in Jesus? Is there a hint of being unsure whether Jesus would heal him? Why might he think that?

What is the significance of Jesus touching the leper to heal him?

Read Mark 1:40-45. Why does he disobey Jesus and start telling others about His healing rather than going to the priests as Jesus instructed?

REFLECT: Think back over this past year of meeting as a group. What has been the biggest blessing?
