

# COMMUNITY GROUP QUESTIONS

**OPEN:** Think of someone that you live or work closely with (spouse, roommate, etc.). What is one thing that they do that you have to “put up” with?

**DIG:** Read Romans 12:16 & 18, Ephesians 4:2 & 32, and Colossians 3:13. How do these scriptures say we should treat one another? Does this apply to those in the church? Outside the church? Both?

Read Hebrews 12:14. What does this look like when dealing with people we don't agree with?

Read Psalm 34:14, Proverbs 12:20, and 1 Peter 3:11. How can the pursuit of peace help us when relating/living/working with people of a different view?

**REFLECT:** In light of the desire to show kindness and pursue peace, how can we reach others who don't know the truth of God's Word?

How should we respond to those who are intolerant towards us (imperfect, forgiven, Bible-believing, saints of God)?
