

COMMUNITY GROUP QUESTIONS

OPEN: Do you have a memorable fishing story? Pray tell!

DIG: Read John 1:42. Why does Jesus change Peter's name? Fact: Jesus continues to refer to Simon Peter as "Simon" throughout their relationship instead of calling him by his new name, Peter. What's up with that?

Read Luke 5:8-9. Why would Peter be afraid?

Look again at Matthew 17:27. Why do you think Jesus decided to pay the tax in this way? Was He trying to be funny and joke around with Peter? Was there a lesson? If so, what was it?

REFLECT: Could there be something in your life now that looks like it is about the fish but really is about something else? Remember: It's not about the fish. It's never about the fish.
