

# STUDENT MINISTRIES ADULT VOLUNTEER CODE OF CONDUCT

*All volunteer staff must recognize that they are agents of Jesus Christ. Our students will look to them to set the example of what it looks like to be a follower of Christ.*

Valid 2018-2019

- I will do everything in my power to help Student Ministries events be about the students and help create an environment that helps them learn about Jesus.
- I will exercise discernment in my actions at Student Ministries events at all times, making sure that I paint an accurate picture of Christ through my actions. (Rule of thumb: I will not do anything when students are absent that I would not do in their presence)
- I will choose to make the students' experience a priority, ahead of my own. I will make it my goal in everything I do to help them have the best event experience possible. I will choose to not do anything that would distract students, especially during sessions and small group time.
- I will strive to maintain unity as a part of the staff and respect the authorities placed over me.
- I will never be alone with a student of the opposite sex.
- I will not bring alcohol, tobacco products, drugs, weapons, or explosives to any Student Ministries event.
- I will make the safety of students and staff my priority.
