Part Two

What are two verses from 2 Timothy that have become more meaningful to you through this study?

1. 2 Timothy _____ : _____

2. 2 Timothy _____ : _____

Why did you choose these verses?

If someone from another church was considering doing the Entrusted story, and they asked you to summarize it, what would you tell them?

Much of this study has focused on the special relationship between an older and a younger brother in the faith. Who is someone that you look to as an older sister in the faith? Who is someone you see as a younger sister in the faith? **How would you like to partner with them** in the goal of growing in the Lord? Do they know you feel this way? Be sure to tell them!

Part Three

Even if you were not participating at “Level 4” during the study, please take time to **read the articles by Melissa Moore in week five**. They are titled “Things on My Mind” parts 1 and 2, and are found on **pages 153-154 and 171-172**.

Melissa pulled out three primary themes of 2 Timothy. What are they?

1. Be _____ to everyone, able to _____.
2. Lovers of _____.
3. Endure _____.

Which of these themes resonated most with you? Why?

If you made your own list of key themes in the book of 2 Timothy, what themes would be on your list?

In what situation in your life do you most need to remember the encouragements Paul gave to Timothy?

How can this group pray for you going forward?
