

GREAT CAMP CODE OF CONDUCT

Camp staff must recognize that they are agents of Jesus Christ. The students will look to them to set the example of what it looks like to be a follower of Christ.

- I will do everything in my power to help camp be about the students and help create an environment that helps them learn about Jesus.
- I will exercise discernment in my actions at camp at all times, making sure that I paint an accurate picture of Christ through my actions. (Rule of thumb: I will not do anything when students are absent that I would not do in their presence)
- I will choose to make the students' experience a priority, ahead of my own. I will make it my goal in everything I do to help them have the best camp experience possible. I will choose to not do anything that would distract students, especially during sessions and small group time.
- I will strive to maintain unity as a part of the staff and respect the authorities placed over me.
- I will never be alone with a student of the opposite sex.
- I will not bring alcohol, tobacco products, drugs, weapons, or explosives to camp.
- I will make the safety of students and staff my priority.
